our thanks for California files, and Hon. J. S. Morrill for valuable Public Documents.

- FAIRBANKS' SCALES IN ENGLAND. It is a mighty tribute to the merits of Fairbanks' Scales that the manufacturers are now receiving orders for them from England. Many years ago, they disposed of their pasent in that country to a firm in Liverpool who still continue the magnifacture. But notwithstanding the great skill of the En glish mechanics, scales made here are regarded as the best, and within a short time several orders have been received for Scales from Messrs. Navlor & Co., the manufacturers of of steel at Sheffield, who prefer to pay treight and duties on a St. Johnsbury Scale, rather than to buy the English article at their
